

Dear Newest Member of Mayo Employees Federal Credit Union (MEFCU):

Welcome to MEFCU and thank you for trusting us with your financial needs! Though technology allows us to interact with our members at new and exciting speeds, there are still instances where we will require your “wet signature” for documentation and security purposes. A wet signature implies it is signed manually with a pen, versus an electronic or digitally captured signature. This is a security measure for a variety of transactions including wire transfers and paper check clearing.

In the below area, we ask for your signature. Please return this form to MEFCU within 30 days of opening your new membership. Please note failure to return this form may result in limitations to your account services. You will be asked to sign your membership agreement electronically, through DocuSign, an electronic signature platform. A separate email will be sent with directions on how to access that platform.

The electronic signatures will signify your legal opening of the account, while this wet signature will allow MEFCU to securely process certain transactions.

Sincerely,

Mayo Employees Federal Credit Union

Signature _____

Name (printed) _____

Member Number _____

Your ‘wet signature’ above will be used for a security comparison for a variety of transactions here at MEFCU.
